MOU with MR College

### Drug abuse and addiction awareness session to the students

As part of our CSaR initiative and our ongoing efforts to educate students on the dangers of drug abuse, we had the privilege of inviting Sri SVVN Babji Rao Garu, Deputy Commissioner of Prohibition and Excise for VZM and PVP districts, and Sri Srinadhudu, District Prohibition & Superintendent, to address our students. We were also honored to have Circle Inspector Janardhana Rao Garu as a key participant in this awareness program.

### Cyber Club Explores Blockchain's Potential with 1st Year Students

The Cyber Club introduced 1st year students to blockchain, emphasizing its benefits like data security, transparency, and immutability. They discussed real-world applications in finance, supply chain, and cybersecurity, using examples like Bitcoin. The session inspired students to explore blockchain's potential in solving practical challenges and fostering innovation.

### Centurion University Hosts IEEE Conference at Parlakhemundi

Centurion University organized an IEEE Conference at its Parlakhemundi campus, where selected research articles were presented in both online and offline modes. The event showcased innovative ideas and research contributions. Our Chancellor was invited as a distinguished guest, adding prestige to the conference and inspiring attendees with his presence.

## Stay away from drugs, Deputy Commissioner Babji advise students at Centurion University

- Cooperation of the Youth is essential for achieving a drug free society

**(Ringside View Bureau)**  
Vizianagaram, December 18: The Deputy Commissioner of Prohibition and Excise Department S.V.V. Babji Rao has called on the youth to stay away from drugs. He participated as the chief guest in a meeting organized at Centurion University on Wednesday. On this occasion, he advised the youth not to fall into a vicious circle of drugs. He underlined that Narcotic Drugs and Psychotropic Substances (NDPS) Act, 1985 laws are very strict. He stated that this is one of the strictest laws in the world. He said that the youth should not become slaves to bad habits. They should only associate with good friends. Excise Department Superintendent B. Srinathudu said that India has the most youth population than other countries in the world. If the youth take a step forward with their skills, the development of the country will be possible. Statistics show that out of every one lakh Youth in Tamilnadu 2500 youth

## Dr. Ranjan Urges Students to Contribute to Society and Nation at CUTM-AP Convocation

**(Ringside View Bureau)**  
Vizianagaram, December 21: Dr. Ranjan Banerjee, CEO of Nayanta University, emphasized the importance of students contributing to society and the nation during the 4th Convocation ceremony of Centurion University of Technology and Management, Andhra Pradesh (CUTM-AP), held at its Tekkali campus on Saturday. Addressing the graduating students as the Chief Guest, Dr. Banerjee spoke about the skills and knowledge imparted at CUTM-AP, which he believes will help them address the challenges posed by the world. He encouraged students to pursue careers aligned with their passions and expressed that their success is only achieved when one brings smiles to the lives of others. Dr. Banerjee shared his own success story and highlighted the importance of alumni in shaping the future of the university. He called on the graduates to give back to society, their alma mater, and the nation, stressing the need for responsible leadership in the future. The university's President, Mukti Kant Mishra, praised the students for their accomplishments and stressed the need for global standards in academics, research, and innovation. He emphasized that academic excellence should go hand-in-hand with contributions to society. In his welcome address, CUTM-AP Chancellor Prof. G.S.N. Raju urged students to take pride in being ambassadors for their university and themselves. He spoke about the university's rapid growth over the past seven years, citing its innovative curriculum, infrastructure, skill training and focus on entrepreneurship. He encouraged graduates to take the skills learned at CUTM-AP and apply them in the global arena to elevate the university's reputation. Vice Chancellor Professor Prasanta Kumar Mohanty highlighted the unique approach of CUTM-AP, explaining that the university's focus is on providing quality education combined with skill development across a variety of disciplines. He also spoke about the institution's commitment to meeting global education standards and promoting innovation, start-ups, and entrepreneurship. The ceremony saw 201 graduates from Engineering, Management, and Para Medical courses receive their degrees, along with 5 Ph.D. scholars. In addition, 16 gold medalists and 8 merit-based cash prize recipients were recognized for their outstanding achievements. The event was attended by several dignitaries, including Vice Chancellor of Bhubaneswar Campus Prof. Supriya Pattanayak, AP Campus Registrar Dr. Pallavi, and governing body members Dr. P.S. Tagore, Prof. K.C.B. Rao, PNSV Narasimham, Kumar Raja, and Kalyan Chakravarty, along with faculty members, students, and their families.
